

Plabon Kumer

Interdisciplinary Researcher in Cognitive Science

Phone : (+880) 1521-764457

Profile : plabonkumersarker.github.io/profile

Email : plabonkumersarker@gmail.com

Objective

An enthusiastic researcher with a strong foundation in English Literature and Linguistics, coupled with hands-on experience in Python programming and web development. Seeking to pursue a Master's program in Cognitive Science, with a focus on understanding the intersection of language, mind, and technology through interdisciplinary approaches. My ultimate goal is to apply computational methods to model cognitive phenomena and contribute to research that bridges human cognition with artificial intelligence.

Education

Bachelor of Arts in English Literature and Linguistics,
National University of Bangladesh

Skill

- HTML, CSS
- JavaScript
- Node js
- Python
- Git
- Operating System
- Competitive Programming
